INVESTOR IN PEOPLE

The next time you have an eye examination and your prescription has changed, you may find it a lot easier to buy new spectacles than you had thought.

By joining Visioncare's Specplan, you can save towards the cost of any spectacles and lenses and Visioncare will add a further 20%.

Under Specplan you can also take advantage of any of

our offers or treat yourself to that stunning pair of designer specs you'd always promised yourself!

## How Specplan works:

Specplan is a simple scheme where you save £10, or £15, or £20 each month by direct debit.

When you need to buy spectacles, Visioncare will add 20% of however much you have saved towards the cost.

**The blue figures in the table below show how much you will save once Visioncare's contribution has been added.**

monthly payment	12 months	18 months	24 months
£10	£120	£180	£240
<b>plus 20%</b>	<b>£144</b>	<b>£216</b>	<b>£288</b>
£15	£180	£270	£360
<b>plus 20%</b>	<b>£216</b>	<b>£324</b>	<b>£432</b>
£20	£240	£360	£480
<b>plus 20%</b>	<b>£288</b>	<b>£432</b>	<b>£576</b>

Specplan is available for a minimum of 12 months. If you decide to cancel Specplan, the total amount of your contributions will be refunded in full, less an administration and set-up cost of £25 per year (or part thereof).
